Fall 2016

Sept-Nov

New Adventures for Dr. Campbell

After an amazing year having Dr. Campbell working in our office, she has accepted a full time position at the Lewis and Clark Dental Clinic in Clarkston! She has been an amazing asset to our office, allowing us to remain open additional hours for patients as well as being able to see older children with the Washington State Medicaid insurance. We will greatly miss having her outgoing and enthusiastic personality as part of our staff!

Dr. Campbell will continue to hold limited office hours through the end of September. If you are currently a patient of hers and would like to be seen by her again before she begins her new position in Clarkston, please call our office to schedule as soon as possible.

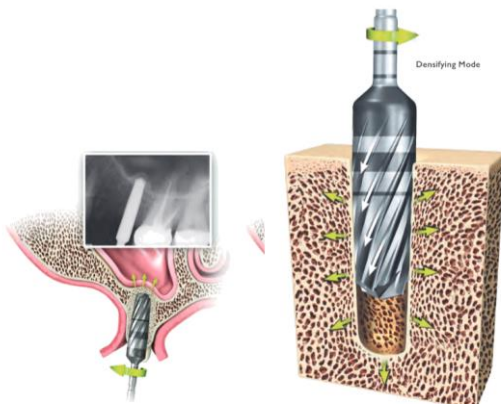

Dr. Margaret Campbell with her husband Todd and new baby Harry at a family gathering in Montana.

Effects on Medicaid patients: Once Dr. Campbell begins working in Clarkston, it will be necessary for our office to reduce the age limit once again for the patients using Washington State Medicaid insurance. Dr. Chiang will continue to see children up through age 12 on Tuesday afternoons from 3:00PM-5:30PM and Wednesday mornings from 11:00AM-1:30PM. All children above the age of 12 will have the option of scheduling at the CHAS clinic in Clarkston where Dr. Campbell will be working, or with other pediatric dentists in Spokane. Adult patients will still be referred to the Clarkston and Spokane CHAS clinics.

Osseodensification

Densah Bur Technology

New instruments for implant procedures:
The Densah Bur uses advanced technology designed to precisely preserve bone, and gradually densify and expand the bone to prepare the osteotomy for implant placement.

Dr. Chiang's Continued Education Courses:

September 13th-18th: Posterior Bio Esthetics at the Geneva Smile Center; Geneva, Switzerland.

October 13th-16th: Master Surgeon Series with Dr. Inaki Gambirena; Calgary, Canada.

When Dr. Chiang is away...

Please note that when Dr. Chiang is out of the office, his cell phone number, or contact information for one of our staff members, will be listed in the message on our answering machine. If you are experiencing a dental emergency and need immediate assistance, please call your regular physician or Pullman Hospital Urgent Care at (509) 336-7365.
