Summer 2016

June-Aug

Pullman Family Dentistry Babies Are Coming!!

Both Dr. Campbell and our dental assistant Debbie have babies due during the month of June! Our schedule may change temporarily while these lovely ladies are on maternity leave enjoying time with their new babies. If you have a scheduled appointment with Dr. Campbell this summer, please be aware that we may need to reschedule your appointment depending on when her baby arrives.

When Dr. Chiang is away...

Please note that when Dr. Chiang is out of the office, Dr. Campbell will be taking over his office hours by appointment. This means our hours may vary, but we will still have staff in the office to answer the phone and schedule appointments. Dr. Chiang's or Dr. Campbell's cell phone number will still be listed in the message on our answering machine. If you are experiencing a dental emergency and need immediate assistance, please call your regular physician or Pullman Hospital Urgent Care at (509) 336-7365.

Dr. Chiang's Continued Education Courses:

June 28th-July 3rd: *Soft Tissue Management*;
Heidelberg, Germany.

August 24th-27th: *Digital Smile Design Concept*;
Seattle, Kois Center.

3000 CE Hours and Counting!

Dr. Chiang has added an additional training accomplishment to his already decorated résumé. He will be the first US dentist to finish the **Four Modules of Mastery Soft Tissue Management Course!** Dr. Chiang had the privilege of being personally trained by world renowned implantologist, Dr. Marius Steigmann, at Steigmann Implant Institute in Heidelberg, Germany. Dr. Chiang has accumulated over 3000 hours of continuing education training over his 16 year career!
